In order to determine whether the distributors and car rental companies operating in the first-hand (new) and second-hand vehicle sales markets have violated Article 4 of the Law No.4054 on the Protection of Competition, investigation studies have been initiated by Competition Board within the scope of the decision taken to initiate an investigation against many companies in the sector, including our company.

As it is known, opening an investigation by the Competition Authority cannot be interpreted as the undertakings or association of undertakings subject to the investigation violate the Law No. 4054, as being or will subject to penalty under the Law.

Developments on this disclosure will be shared with the public when necessary within the framework of the Capital Market Legislation.
