Subject : Ecotorq Engine Technology Licence Agreement

To İstanbul Stock Exchange Chairmanship

A technology licensing agreement was signed on April 24th, 2013 between Ford Otosan and Jiangling Motors Corporation Ltd. of China, where Ford Motor Company holds 31.5% share in, and its affiliate JMC Heavy Duty Vehicle Co.Ltd.

With this agreement our company has granted the intellectual property rights of the Ecotorq engines to the subject companies to be used exclusively in the JMC branded vehicles manufactured in China, to sell the licensed products and JMC branded vehicles containing these products in China and the export markets that will be agreed by the parties in line with the conditions set forth by our company. Within the context of the agreement, a licence fee that varies from €150 to €190 will be charged per product, to be invoiced quarterly, and €1 million licence fee will be collected as advance payment. Ford Otosan will be responsible for the engineering of the product while the product responsibility of the licensed products will belong to JMC. Duration of the agreement is twelve years commencing from the first production of the Ecotorq engine (predicted as 2016 model year) of JMC Heavy Duty Vehicle Co.Ltd. company. Unless otherwise specified, agreement will extend automatically every three years. The agreement will become effective after upon the approval of Chinese officials.
