Special Case Announcement : Explanation about production stop news in the media over the weekend

Taking into account the production tempo in 2010, it has been decided to use one week of annual plant shut down between January 4 – January 8, 2010. During this period, production will stop and plant maintenance and year-end inventory activities shall be carried out. It is planned to use the rest of the shut down period in the summer term.

4,500 people in our Kocaeli Plant will use their annual leave for the non-production days in the specified dates.

We affirm that the disclosure above is in accordance with the provisions of the Capital Market Board communiqué Serial: VIII No:54, it reflects all the information we collect about the subject, and this information is consistent with our records and documents. We spend utmost efforts in order to obtain complete and correct information about the subject and claim full responsibility for these disclosures.
